### FEDERATION \$5 FOLDERS

Be quick – there is still limited stock available of the Federation \$5 note with red overprint of '1901-2001' in a special presentation folder. For only \$12.50 they are a great buy and would make an ideal Christmas gift! To order, complete the order form provided on the back of this newsletter.

As with previous uncut issues, the blocks have been extracted from full production sheets of the Federation \$5 note with the prefix range GD 01 to JD 01.

### Special Features

- Final Uncut Block product from the current note series with signature combination of Macfarlane/Evans
- All Blocks come complete with sheet selvage
- Convenient A4 size folder
- Folders include text detailing note specifications, features and product detail
- Limited issue of 1,500.

To order, complete the order form provided on the back of this newsletter.
